

Pottery Village

Stone walls of Okinawa's Pottery

Village in Naha City, Okinawa Japan

Stone walls and red-tiled rooftops line the streets of Okinawa's Pottery Village where traditional Okinawan pottery known as "yachimun" can be found. (2008)

Description

Print Options

Standard Photographic Finish

This paper provides accurate color, lifelike skin tones, realistic saturation, archival quality and a traditional photo finish. This paper has a Standard Archival Value of 100 years in home display; 200 years in dark storage.

Metallic Paper (Glossy Pearlescent Finish)

Metallic Paper uses a patented combination of film and laminate layers resulting in a striking metallic shine. Its unique pearlescent surface, ultra-

bright backgrounds and smooth photo finish will make your special moments last a lifetime. Metallic Paper has a Standard Archival Value of 100 years in home display; 200 years in dark storage.

Lustre Coating

Lustre Coating adds a rich sheen to your prints and protects against fingerprints and UV exposure. This service does not interfere with the color or quality of the image.

From the Lab

The highest-quality photo printing, including mounting and custom framing options, to brighten your world with superior portraits that will stand the test of time.

Professional Quality Prints

Three professional grade photo papers, top of the line printers and a skilled team of color technicians that review every single image.

Fast Shipping

Print orders ship in just one business day.

Satisfaction Guaranteed

Every print is hand checked for quality before it leaves the lab. We don't settle for less than the best, and neither should you.
